APPROVAL IS IN THE CONTROL AND AT THE DISCRETION OF THE RIVERSIDE TOWNSHIP SUPERVISOR.

SPECIAL TOWN HALL USE

The Town Hall can be a venue for community groups for fundraisers and socials, and for private events of Township residents only. Such use requires application at least 30 days in advance, and may also require certain permits from the Village of Riverside. Only Non-Profit Organizations (proof may be required) may hold fundraising events. The venue is not available to For-Profit entities.

The Township incurs additional costs by opening the building to more events, therefore fees may be different on weekdays vs. weekends. The Township Supervisor reserves the right to waive fees. The Township board shall review each Special Use request and will limit the number of events for which it will make the facilities available, out of respect for area residents. Events serving alcohol require Township Board approval at a monthly board meeting.
ALCOHOL

With proper application and express limited permission, it is possible to serve alcohol at events in the Town Hall. The Township does not issue liquor permits, but the sale or service of alcohol at ANY PUBLIC EVENT will require a Daily Liquor Permit from the Village of Riverside as well as a permit from the Illinois Liquor Control Commission. Host Liability Insurance will be required as described below. The Township must receive proof of these permits at least 48 hours in advance.

A PRIVATE EVENT is one attended by invitation only, with no admission charged, such as a wedding, birthday, shower, retirement, family reunion, or other similar party. The Village does NOT require a Daily Liquor Permit for PRIVATE EVENTS, but the Township will still require Insurance as described below.

All alcoholic service is subject to any Village ordinances, rules, and regulations that may apply from time to time, including time limitations and special event applications and permits. No alcohol is allowed outside the building, and no alcohol other than that served by the host is permitted.

Currently there is a village limitation on continuous time not to exceed (8) eight hours of sales and consumption of alcohol. Please see the Village’s website for current and further information.

INSURANCE

The Township will require proof of Host Liquor Liability Insurance in the amount of $1,000,000, with Riverside Township listed as an additional insured.

If a bartending service is hired for the event, such vendors may carry such insurance, which in turn may satisfy this requirement. So long as the Township is named as an additional insured, such insurance is acceptable. Proof of insurance must be provided to the Township at least 48 hours in advance of the event.

For such events, the Township will require an endorsement of the applicant’s Host Insurance coverage in the Township’s name. Such coverage would generally be an extension of the homeowner’s insurance policy. Contact your insurance agent to secure the coverage.

SECURITY

The Township reserves the right to require the hiring of (a) security guard(s), depending on anticipated attendance and the nature of the event. Such requirement is within the discretion of the Township Supervisor. Estimated guest count must be reported at least 3 days prior to the event, and posted occupancy limitations will be enforced.

FOOD

There are limited kitchen facilities in the Town Hall, and the use of the kitchen requires a request on the application. The kitchen is not of commercial grade for food preparation, but it may be used for staging, limited refrigeration, and warming or maintaining temperature for foods prepared elsewhere. There is a 3-basin sink for washing dishes, and utensils. Posted sanitation regulations must be followed. The Township does NOT own or provide dishes, flatware, or glassware.

The Village requires a food service application for food served to the public at PUBLIC EVENTS.

The Township can provide a list of area vendors, upon request.
**CLEAN UP**

Building users must leave the facility as, or better than they found it. *For larger events, a security deposit may be required in order to clean up extraordinary stains and damage.*

Events serving alcohol shall also require a security deposit to the Township in the amount listed in the schedule of fees.

If the facilities are left in good condition with no special attention required, the deposit or portion thereof may be returned, upon inspection by Township staff.

**PARKING**

Please note, the Town Hall has no public parking lot, and any user of the facility should take into consideration the issue of parking for all their guests. There is street parking both north and south of Guthrie Park, and there are a few street spots in front of the building, and across the street in front of the First American Bank. The parking lot between the Town Hall and Library may be used outside of business hours, respecting handicap and reserved signs. Most other area parking is on private property, and the Township cannot guarantee adequate availability of parking spots. The Supervisor will assist renters to make connections with private parking lot owners if deemed necessary.

**GENERAL PROVISIONS**

This is a non-smoking building. Absolutely no smoking is permitted within the building. There are ashtrays outside the front entrance, but there should be limited congregation in that area. Please refrain from loud activities in deference to the residents of the community. No alcohol outside!

*All occupants must vacate the building by Midnight on Friday or Saturday evenings. Please plan your event accordingly.*
